AN OPPORTUNITY TO ADDRESS, EXPLORE AND EXCHANGE INFORMATION ON SCIENTIFIC TOPICS WITH SCIENTISTS

STEFANO MORO
Medicinal Chemistry
University of Padova

JENNIFER NICHOLS
Stem Cells
University of Cambridge

SILVIA NICOLIS
Genetics
University of Milan

CARLOS DOTTI
Molecular Neuropathology
CBM Severo Ochoa, Madrid

FRANCOIS GUILLEMOT
Neuroscience
The Francis Crick Institute, London

PETRA SCHWILLE
Cell and Mol Biophysics
Max Planck Institute of Biochemistry, Munich

JUAN NOGALES
Biosystems Modeling
Environmental Microbiology Lab of CIB, Madrid

DORA TANG
Synthetic Biology
Max Planck Institute CBG, Dresden

We are glad to invite you to the 2017 PhD Colloquia seminars organized by the 30th cycle students of the International PhD Program in Biomolecular Sciences of the University of Trento.

WELCOME!

h 17:00 - Room B102
Povo2 building - Via Sommarive 9 Povo, Trento
