The Conference is organized by the Trento Faculty of Law and the Osservatorio Permanente sull’Applicazione delle Regole di Concorrenza (“Antitrust Observatory”) founded and directed by Michele Carpagnano and Gian Antonio Benacchio.

The event is supported by the Italian Autorità Garante della Concorrenza e del Mercato, the French Autorité de la Concurrence and the Luxembourg Conseil de la Concurrence.

The conference is addressed to National Judges, Academics, In-house Legal Counsels, Attorneys, Economists, students and to everyone is interested in EU Competition Law and its enforcement.

The main topics of the Conference are:

- Global-Local Competition Law enforcement: rights protection, challenges and opportunities;
- The transposition of the Directive on damages actions and Recommendation on collective redress;
- Competition enforcement in action: sectors of intervention and new frontiers.

On Saturday, April 18, the workshop of the Antitrust Observatory’s team will take place. The event is also open to non-members who are interested in finding out more about the Observatory’s actual and future activities.
