Master’s Degree in Cognitive Science

The program is offered at the world-renowned Center for Mind/Brain Sciences (CIMeC) and is characterized by training and research activities at highly qualified laboratories in the field of experimental psychology, brain-imaging (fMRI, MEG, EEG, TMS, etc.), animal cognition and computational linguistics. This opportunity provides the type of theoretical and technical skills to pursue doctoral studies or to gain a competitive edge in the job market.

TRACKS
- Cognitive Neuroscience (CN)
- Language & Multimodal Interaction (LMI)

DURATION
2 years full-time

LANGUAGE
English

APPLICATION DEADLINES
- February 20th, 2018: for EU and non-EU students
- June 12th, 2018: for EU students only or non-EU living in Italy (if places are still available)

OPEN DAY
February 2nd, 2018: presentation of the educational offer at CIMeC

MINIMUM REQUIREMENTS
A three- or four-year Bachelor’s degree from an internationally recognized institution at university level; working knowledge of English; basic knowledge of programming, math & statistics.

SELECTION CRITERIA
Curriculum Vitae et Studiorum, coherence between the Bachelor’s degree and the objectives of the Master’s degree, statement of purpose, references.

SCHOLARSHIPS AND FINANCING
- Opera Universitaria or UniTrento study grant: partial or total exemption from the fees, grant for living costs, housing at reduced prices.
- European Master’s Program in Language & Communication Technologies (LCT): Erasmus Mundus scholarships available for both EU and non-EU students for spending each year in a different institution of the consortium.

Contacts
- Master’s degree coordinator: Prof. Massimiliano Zampini
- Administrative support: Claudia Neri
