The School of International Studies (SIS), University of Trento and the Istituto Affari Internazionali (IAI) jointly convene the 4th SIS-IAI ANNUAL LECTURE ON INTERNATIONAL AFFAIRS

“THE FUTURE OF ENERGY IN A CHANGING WORLD”

Tuesday, 31 March 2020 h. 14.15

LORENZO COLANTONI, Istituto Affari Internazionali (IAI), Roma
Energy, Climate & Resources

Chair: Marco Pertile, School of International Studies

The Lecture will discuss the dramatic changes currently taking place in the energy sector; a technological, political and economic revolution which has major social and environmental implications - first and foremost in relation to its importance in the fight against climate change. Digitalisation, technological innovation, the redefinition of geopolitical relations are some of the factors involved in a transition that goes beyond Europe and involves Africa, China, the United States.

At the end of the Lecture, full information on the IAI-ENI Sustainable Energy Scholarship 2020 and the 3rd ed. of the IAI Prize will be detailed.

DUE TO THE COVID-19 EMERGENCY, THE LECTURE WILL BE LIVE STREAMED ONLY.
