ABOUT THE REVIEW

The Trento Student Law Review is a student-run and student-edited law journal, established in 2017 at the Faculty of Law of the University of Trento.

The TSLR publishes its issues biannually with articles both in English and Italian. All manuscripts are subjected to a double-blind peer review, after a scientific scrutiny.

The Editorial Board consists of Managing, Associate and Visiting Editors selected through a dedicated call at the beginning of each academic year. An Advisory Board operates in cooperation with the Editorial Team.

WHAT DO EDITORS DO?

- **Preliminary screening**: determining if a manuscript submitted to the journal is ready for peer review
- **Copy-editing**: proofreading texts (grammar, spelling, punctuation, fact-checking, plagiarism)
- **Substantial editing**: suggesting changes that will improve the overall quality of the article (syntax, style, language use and expression), according to the editorial policy

We hope you will consider joining the team!
