Update of data protection notices in compliance with the European general data protection regulation (2016/679)

Data protection notices at the University of Trento are in the process of being updated in order to comply with the new General data protection regulation (2016/679) on the protection of natural persons with regard to the processing of personal data.

The notices will be updated with the information below:

- Directive 95/46/EC on the protection of individuals with regard to the processing of personal data has been repealed
- The data controller is the University of Trento, whose representative is its Rector. The data controller's contact details are: ateneo@pec.unitn.it - ateneo@unitn.it
- The data protection officer (DPO) is Fiorenzo Tomaselli
- The DPO’s contact details are: rpd@unitn.it
- In addition to the provisions of the notice, personal data shall be processed in compliance with the provisions of the GDPR lawfully, fairly and in a transparent manner, shall be collected for specified, explicit and legitimate purposes, shall be relevant and limited to what is necessary in relation to the purposes for which they are processed (data minimisation), and comply with the principles of accuracy, storage limitation, integrity, confidentiality, accountability (article 5 of the regulation).
- In addition to the provisions of the different notices, the data subject shall have the right, at any time, to obtain confirmation as to whether or not personal data concerning him or her are being processed and, where that is the case, to obtain information on the categories of data concerned and their source, and shall also have the rights referred to in Chapter III, Sections 2, 3 and 4 of the GDPR (EU) 2016/679 (e.g. the right to obtain from the data controller: access to and rectification or erasure of personal data, restriction of processing of personal data concerning the data subject or to object to processing, as well as the right to data portability).

The data subject shall have the right to:

- withdraw his or her consent at any time. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal. In this case, no further data will be collected in relation to the data subject. Data already collected with consent will be retained (and not altered) and used in the study, together with information which does not relate (originally or after processing) to an identified or identifiable natural person.
- lodge a complaint with a supervisory authority.
- The data subject may contact the data controller for the purpose of exercising his or her rights.
