The Conference is organized by the Faculty of Law and the Osservatorio Permanente sull’Applicazione delle Regole di Concorrenza (Antitrust Observatory) founded and directed by Michele Carpagnano and Gian Antonio Benacchio.

The event is supported by the Italian Autorità Garante della Concorrenza e del Mercato, the French Autorité de la Concurrence, the Spanish Comisión Nacional de los Mercados y la Competencia and the Luxembourg Conseil de la Concurrence.

The conference is addressed to National Judges, Academics, In-house Legal Counsels, Attorneys, Economists, students and to everyone is interested in EU Competition Law and its enforcement.

The main topics of the Conference are:

- The reality of private antitrust enforcement in the Italian Courts
- Coordination between private and public antitrust enforcement in Italy and in the EU
- Private Antitrust Enforcement: implementation scenario in the European Union
- Private Antitrust Enforcement: The market perspective

On Saturday, April 13, the workshop of the Antitrust Observatory’s team will take place. The event is also open to non-members who are interested in finding out more about the Observatory’s actual and future activities.
