DEBATING THE NEWS

UNDERSTANDING THE 2020 US PRESIDENTIAL ELECTIONS

US presidential elections are a global event. For several days, the world focuses on the American electoral race, debates, and outcomes. This talk will try to shed light on one of the most tumultuous and confusing elections in US history; explaining the outcome of the vote, and debating future perspectives for the US and the entire world.

Umberto Tulli (University of Trento)
Angela Santese (University of Bologna)

Thursday 19 NOVEMBER, 17.30 – 19.00

THE EVENT WILL BE LIVE STREAMED
