

Brown bag seminars

Thursday 11th November 2021
12:30 – 14:00

Sala Professori – 1st floor, Via Verdi 26 Trento

Ariane Bertogg

Double Disadvantage? Between and Within Country Social Inequalities and Intergenerational Transfers

Ariane Bertogg is Zukunftskolleg PostDoctoral Fellow at the University of Konstanz. She received her PhD from the University of Zurich discussing a thesis on intergenerational relationship in young adulthood. Her research interests broadly center around the topics of life course, the reconciliation of paid employment and unpaid family work, as well as social and gender inequalities therein.
