Center for Mind/Brain Sciences

# CIMeC CAMPUS OPEN DAY

CIMeC Graduate Program in  
Cognitive Science for prospective students  
4 February 2022, 2.00 - 5.00 pm

Online event offered through ZOOM

The Open Day is dedicated to prospective MSc students from UniTrento and other universities in Italy and abroad, interested in getting firsthand information about the CIMeC Graduate Program in Cognitive Science.

During the virtual meeting, students will have the opportunity to attend presentations of graduate programs offered at CIMeC, learn about the procedures and requirements of admission, information on joint programs, professional and research opportunities, receive an introduction to the CIMeC laboratories, meet graduate students, Ph.D. students, professors and administrative staff.

The event will be offered online through the ZOOM platform.

**Free admission. If interested, please register to the [form online](#).**

**Registration deadline: January 30, 2022**
