## Fundraising for peace in Ukraine

Povo0, outside the "Malga"  
Friday, March 11, 2022 17 pm  
(In case of rain: Monday March 14, 17 pm)

We huddle around the ukrainian people while we heartbrokenly assist to a new uprising of violence against their country.

The need for humanitarian assistance is now stronger than ever.

We will host an **informal aperitivo**, meant to get together, share information and, most importantly, raise funds.

**Free donation.**

The profit will be donated to the Italian Red Cross, which is active in humanitarian assistance in Ukraine.
