Guest Lecture

A Survey of China's "Foreign Investment Law"

In March 2019, China revised the old "three laws on enterprises" and unified them into the "Foreign Investment Law". What is the background of the formulation of the Foreign Investment Law? What is the specific scope of the application? What is the purpose and framework of the legislation? What about the main content? The lecture, by looking at the legislative history of the "Foreign Investment Law", discusses its basic system and main content.
