## Seminario

# Current state of Social Work education and practice in the USA: challenges and opportunities.

**Mercoledì, 17 maggio 2023 – ore 11**

Sala professori, I piano,  
Dipartimento di Sociologia e Ricerca Sociale  
via Verdi 26, Trento

Speaker: **Shauna P. Acquavita**, *Director of the School of Social Work, University of Cincinnati, USA*

Presenta: Alessandro Sicora, Università di Trento

In this seminar prof. Acquavita will provide an overview on the most relevant challenges and opportunities facing social work education in the USA today. The recent socio-economic political changes that have invested the United States have also had effects on the practice of social workers and their education. New problems, new sensitivities and new themes have emerged within a context that appears to be constantly evolving. In the complex network of causes of effects and their manifestations, prof. Acquavita will select some of the most important aspects for a better understanding of what is going on the other side of the Atlantic Ocean.
