Are you looking for an opportunity to develop your presentation skills? Are you a talented public speaker looking for a new challenge? Can you present for 20 minutes and answer some questions for the chance to win great prizes?

SOFE is an international competition for young engineers designed to develop verbal and visual communication in explaining technical mechanical engineering related subjects.

The participation is open to students enrolled in the third year of the bachelor’s and master’s degrees of the Department of Industrial Engineering.

Registrations are open until the 30th November 2023.

1 CFU will be delivered with a minimum score of 60/100.
