

February 15th 2024

PPW 23/24

# Physics PhD workshop 2023/2024

Location: Polo Ferrari Povo2 (Room B107)

## Lectio Magistralis

*On Knowing What to Look for*

Prof. Achille Varzi

Achille C. Varzi is John Dewey Professor of Philosophy at Columbia University, New York, where he has been teaching since 1995. He has published widely on logic, analytic metaphysics, and the philosophy of language and literature. His most recent book, *Mereology* (with Aaron J. Cotnoir), appeared with Oxford University Press in 2021.
