ECIU University R&I Collaborative Projects Event
22/5/2024 11.00 - 13.00 CET

✓ Do you want to hear interesting results from 16 PIs of H2020 and HE projects within the ECIU consortium?
✓ Do you want to have the opportunity to e-meet peers from across the ECIU consortium and create connections for future R&I proposals?

THEN PARTICIPATE IN THE R&I COLLABORATIVE PROJECTS EVENT!

▪ The event will start with an introduction followed by presentations in 4 break-out rooms
▪ A final wrap-up session, including the presentation of the support to ECIU researchers provided by the R&I Expert Group
